Stay on established trails—do not cut switchbacks.

Use existing campsites in popular areas.

Move your campsite daily in low use areas.

Leave natural and historic items for others to discover.

Use a stove. If a fire is needed, use existing fire rings.

Dispose of waste properly. Pack out all trash. Wash at least 200 feet from any water.

Dispose of human waste in a 6-8 inch deep “cat-hole” at least 200 feet from any water.
