Proposed joint Safety-Wilderness Actions

- Bandanas with safety and wilderness message
- Member of IMR Wilderness Executive Committee participate in Executive Safety Committee
- Doug Buttery, Chief of Facilities for Southeast Utah Group, would like to work with someone in Safety on better integrating Minimum Requirements Decision Guide with safety planning
- Develop (with safety and wilderness) a checklist of wilderness and safety topics for zone safety officers to discuss during park visits (backcountry travel plans, emergency medical training and kits, communication, JHAs, MRDG, etc.)

Minimum Requirements Decision Guide –

Used to determine IF and HOW work is done in wilderness
