

# Inyo National Forest

## Winter Recreation - Tioga Pass Area

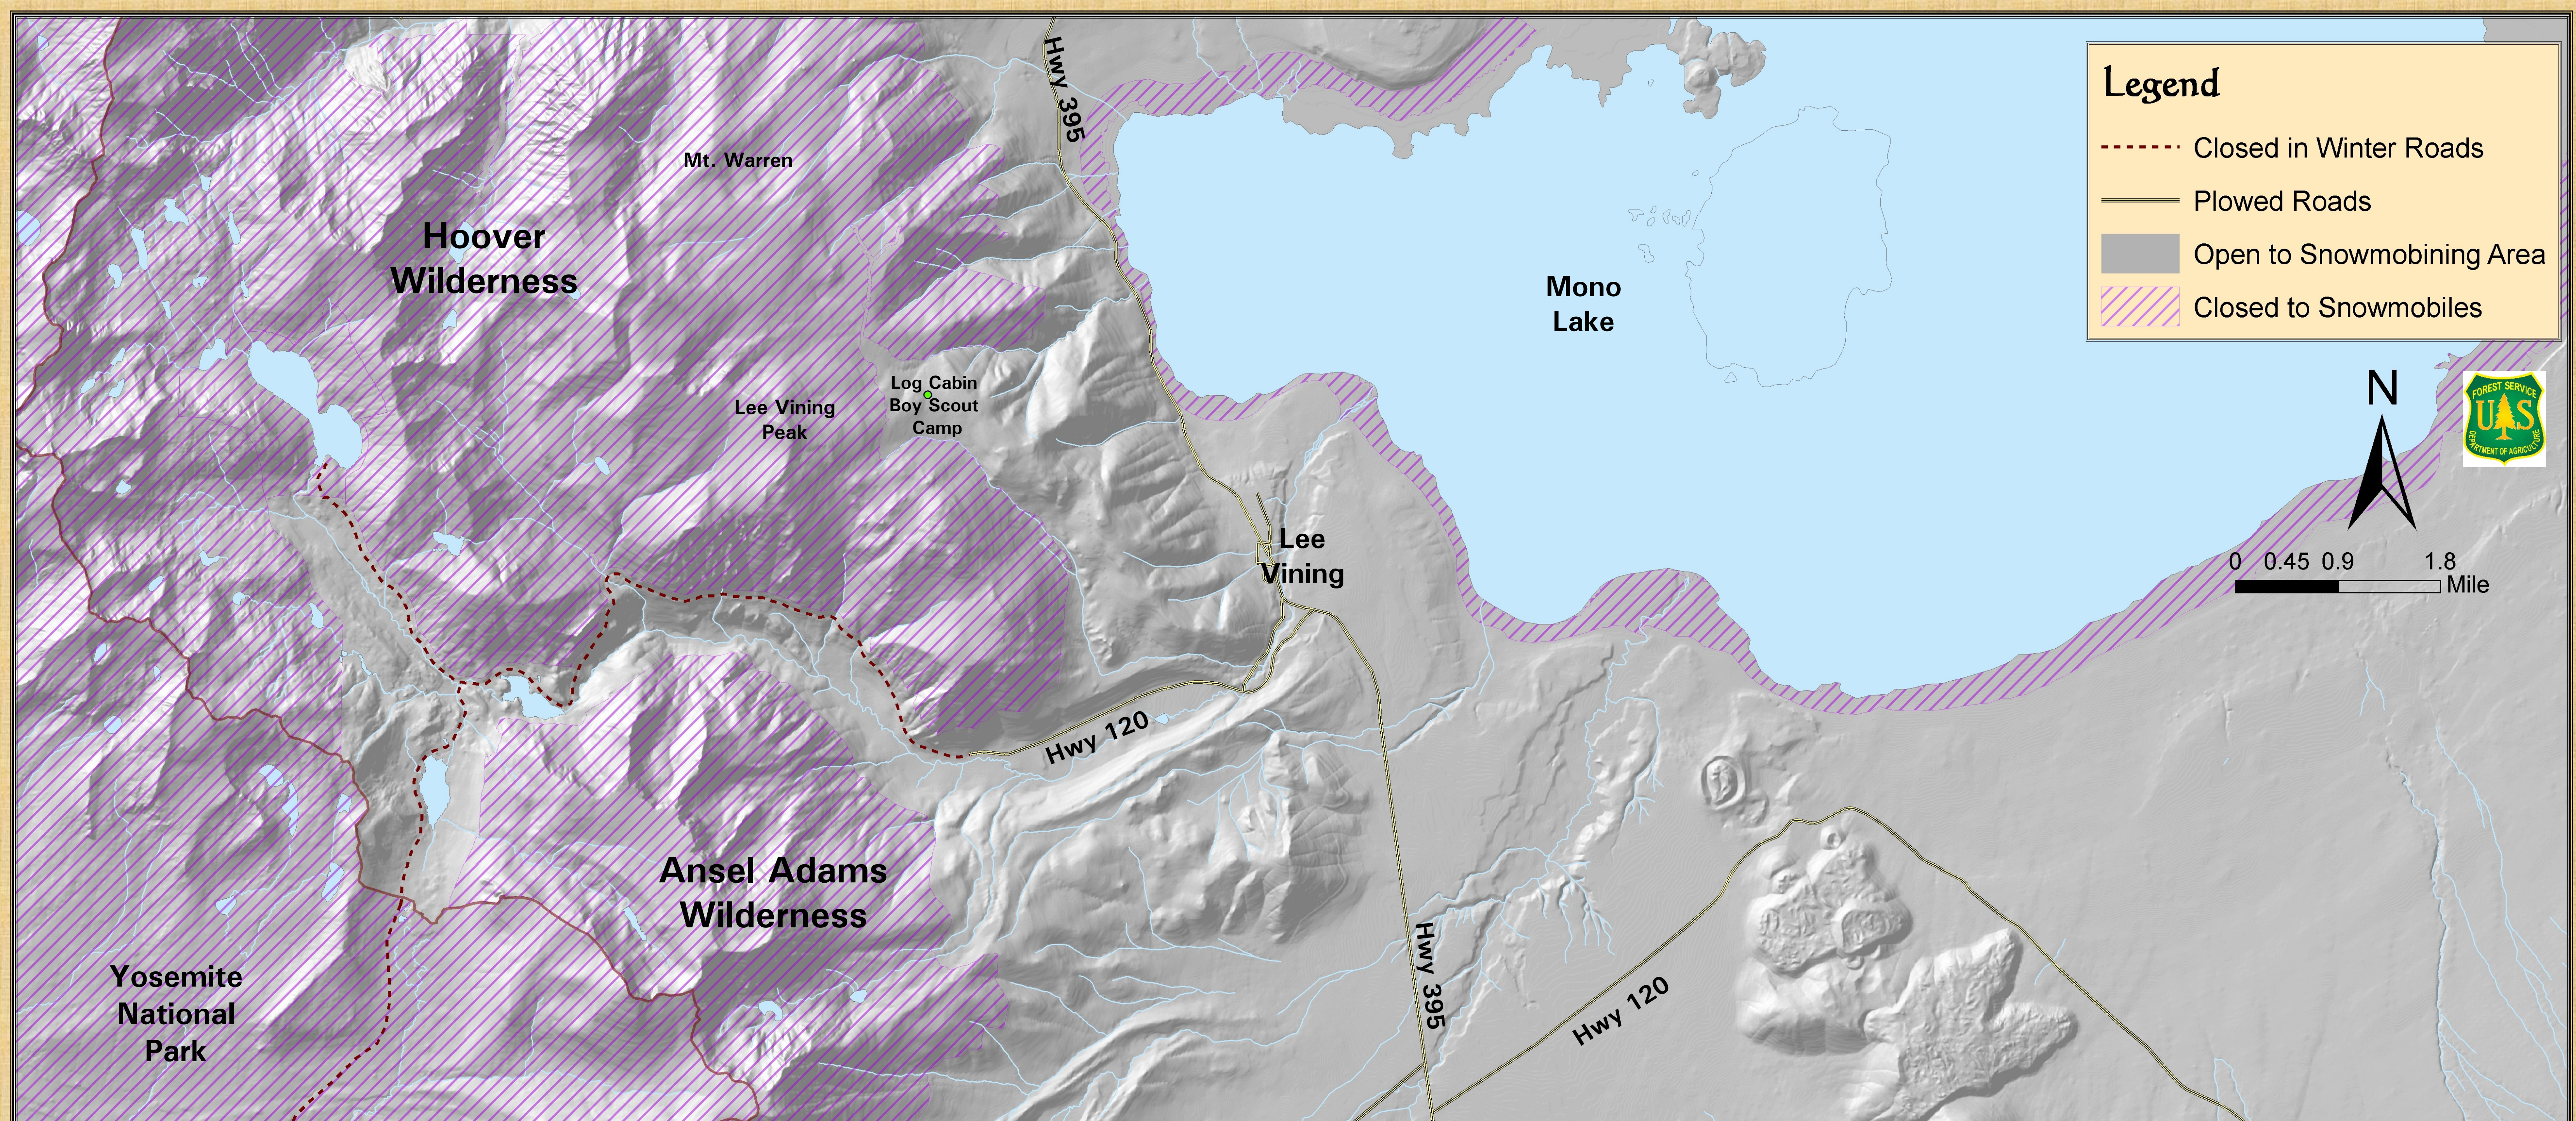

**Snowmobile users: this map is presented to assist you in finding open riding areas for snowmobiling in this region. Do not rely on this information alone. It is your responsibility to know where you are riding, carry a map and gps to assist you. The future of snowmobiling is important - please ride only in open areas.**

**If you are interested in open riding areas south of this location, a free Winter Recreation Map is available at the Mammoth Welcome Center.**

***Wilderness and National Parks are closed to snowmobile use.***

***All users: Tioga Pass road is not controlled for avalanches, travel at your own risk, use extreme caution after winter storms and temperature changes.  
For current conditions check - [www.esavalanche.org](http://www.esavalanche.org)***

***Closure violations will result in citations and impoundment of your snowmobiles. 36CFR 261.16a***
