

Inyo National Forest

Winter Recreation

These images are presented to visually assist you in locating open riding areas. Do not rely on this information alone. It is your responsibility to know where you are riding at all times. If you think you are close to Wilderness, please ride east away from the boundary.

**All wilderness is closed to snowmobiling.
The wilderness boundary may not be marked, carry maps and a gps.**

Violations of these closures will result in a fine and / or impoundment of your snowmobile under 36CFR261.16a
